DOCKET NO. 2005-239-T - ORDER NO. 2005-472
SEPTEMBER 7, 2005

IN RE: Application of Christopher Collins DBA C &)	ORDER ALLOWING
C Moving and Transporting Company, 2206)	IMPACT STUDY
Cambridge Avenue, North Charleston, SC)	
29405 for Rate Increase.)	

This matter comes before the Public Service Commission of South Carolina (the Commission) on the request of the Office of Regulatory Staff (ORS) for this Commission to postpone the processing and numerical assignment of tariff revisions submitted by Christopher Collins dba C&C Moving and Transporting Company (Collins or the Company) in this Docket. The filing requests an increase in certain rates and charges. ORS states that, due to the fact that a non-compliance and/or consumer interest related issue may exist in this tariff filing, ORS would like the opportunity to perform an impact study regarding this filing.

We have examined this matter, and believe that it is in the public interest to allow ORS to conduct its impact study. Accordingly, ORS has until October 14, 2005, to investigate this Application. ORS should complete its investigation and make a recommendation to this Commission concerning disposition of this matter as soon as possible, but no later than October 14, 2005.

This Order shall remain in full force and effect until further Order of the Commission.
